

## **Message from James Ratley, President, ACFE**

Our commitment to our members has always been to provide the best anti-fraud training, education and solutions – and EthicsLine – is no exception. That’s why we have recently selected Global Compliance to power the Official Hotline of the ACFE. [Click here](#) to read our partnership announcement.

### **So what does this mean to EthicsLine and to your organization?**

EthicsLine powered by Global Compliance means quality and experience. Our partner is the largest and most experienced provider of hotline, case management, and analytic solutions worldwide – supporting over 25 million client employees in over 200 countries.

EthicsLine powered by Global Compliance means insight. With a database containing over 3 million reports of business misconduct, our partner has the most robust source of ethics and compliance benchmarking information worldwide.

And, EthicsLine powered by Global Compliance means innovation. You are now able to track, assign, and stay up to date on your ethics and compliance issues using your iPhone, Blackberry, or other PDAs. It’s a market first – and it’s only available with our Global Compliance partnership

We look forward to continuing to support the new EthicsLine powered by Global Compliance.
